

A close-up photograph of a man and a woman smiling warmly. The man on the left is wearing a blue jacket and has a bright smile showing his teeth. The woman on the right is wearing a grey knit beanie and a red jacket, also smiling broadly. The background is slightly blurred, suggesting an outdoor winter setting.

A brighter holiday season
Offering our professional teeth
whitening service to you
this winter

£50 off customised home kits **20%** off express chairside
services including a **free consultation**

Call now on 020 8337 4448 or email reception@the-dentist.net

Professional Teeth Whitening

give yourself the present of a brighter whiter smile this winter

Our offer on teeth whitening will let you bring back the natural whiteness of your smile

Come for a free consultation, where your dentist will check to make sure your teeth are suitable, explain your options and answer your questions. If you are happy to go ahead, we will make you personalised whitening trays - worn overnight, these are comfortable, hassle free and can deliver visible results in as little as a fortnight.

The good news is that we have a special offer at the moment. Our all-inclusive fee is currently reduced to £175

You can also get express results in a single chairside application with your dentist. Your teeth can whiten noticeably in just 60 minutes.

We have a special offer currently for this express approach, our competitive fee is currently £295. This includes the chair-side application as well as a set of take-home whitening trays and top-up course.

You are very welcome to come in for a free consultation before you decide.
